

Aboriginal and Torres Strait Islander communities engagement commitment

We will be led by Aboriginal peoples and Torres Strait Islander peoples on appropriate engagement and participation.

We recognise Aboriginal peoples' and Torres Strait Islander peoples' knowledge and expertise, maintained throughout generations, as the world's oldest continuing living culture. We seek to have this expertise inform our work.

We are committed to genuine, respectful, appropriate and culturally safe and informed engagement with Aboriginal peoples and Torres Strait Islander peoples in our work.

Our principles

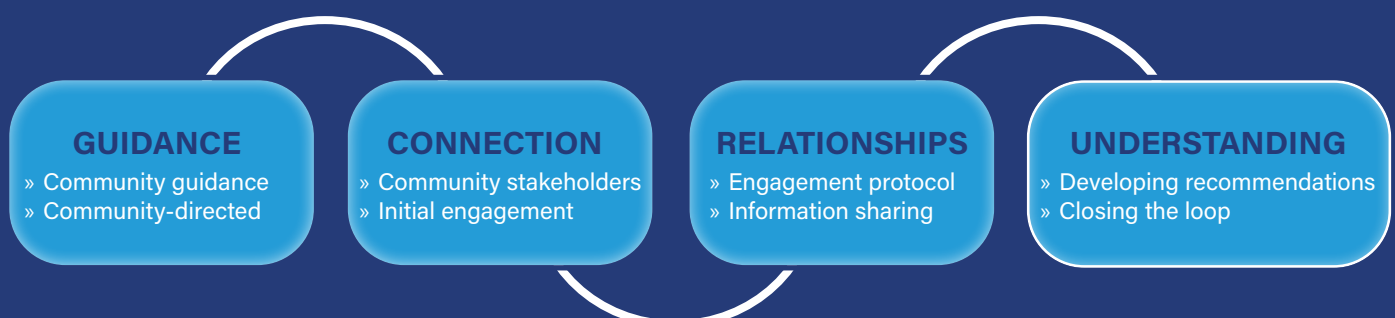

Your knowledge

We will respect cultural protocols and individual preferences about how your knowledge is used.

When we finish a review, we will share with you how your information was used and what recommendations we made.

Our approach

GUIDANCE

- » Community guidance
- » Community-directed

CONNECTION

- » Community stakeholders
- » Initial engagement

RELATIONSHIPS

- » Engagement protocol
- » Information sharing

UNDERSTANDING

- » Developing recommendations
- » Closing the loop
