About QSAC

The **Queensland Sentencing Advisory Council** is independent. We give advice, do research, and help people understand sentencing. We work with our Aboriginal and Torres Strait Islander advisory panel to understand and address the disproportionate representation of Aboriginal and Torres Strait Islander people in the criminal justice system.

About QLRC

The **Queensland Law Reform Commission** is Queensland's independent law reform institution. Community consultation is an integral part of our law reform process. We are committed to genuine, respectful, appropriate and culturally safe and informed engagement with Aboriginal peoples and Torres Strait Islander peoples in our work and we have established an Aboriginal and Torres Strait Islander Legal Reference Group to guide us.
