

# Cloncurry Information Session

## We've been asked to review

### Criminal Defences

Examining reforms to particular defences, DFV-related protections and the mandatory life sentence for murder

### Non-fatal Strangulation

Examining reforms to the non-fatal strangulation offence and procedural barriers to justice

## Our Consultation Papers

### Significant reforms are required. Your input is critical.

We want to hear from you.  
Join our discussion of:

- preliminary findings
- reform proposals
- key issues

Consultation paper for the criminal defences review [available now](#)

Consultation paper for the non-fatal strangulation review will be released on **11 April 2025**

## Have your say
