REPORT OF THE LAW REFORM COMMISSION

The Commission's Third Report on Statute Law Revision

Q. L. R. C. 18

The Honourable W. E. Knox, M. L. A.,
Minister for Justice and Attorney-General,
BRISBANE.

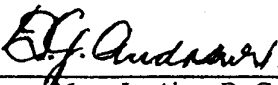

This is the Third Report submitted by the Law Reform Commission concerning statute law revision. The previous two Reports were numbered Q. L. R. C. 11 and Q. L. R. C. 15 and the recommendations in those Reports were implemented in the New South Wales Acts (Termination of Application) Act 1973 and the Acts Repeal Act 1973 respectively.

The first of these Acts terminated the application, in so far as Queensland was concerned, of 478 Acts passed by the New South Wales Parliament and which became Queensland legislation upon Separation in 1859.

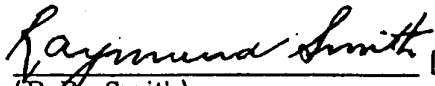

In preparing its Second Report the Commission carried out an examination of all Queensland Acts passed between 1860 and 1971. It recommended in such Report that a number be repealed and subsequently 287 of these were included in the Acts Repeal Act 1973.

Further enquiries have been made from Government Departments, semi-Government bodies and private concerns in relation to a number of other Queensland Acts and the replies received to date indicate agreement with the Commission's recommendation that the 124 Acts listed in the enclosed Schedule to the draft Bill (Schedule I) also be repealed. The reasons for the Commission's recommendations in regard thereto are set out in Schedule II. Some enquiries made still have not been answered, so there remain a number of other Acts which it may also be possible to repeal. If this is the case they will be the subject of a subsequent Report.

It is also intended in due course to submit a Report recommending which of the Imperial Statutes applying to Queensland by virtue of s. 24 of 9 Geo. IV c. 83 (Australian Courts Act 1828) could be repealed.
